Mr. Michael Wood  
Sons & Daughters of Ireland  
10894 Ferguson  
Dallas TX 75228

Dear Mr. Wood and all our friends at Sons & Daughters of Ireland:

On behalf of Children's Miracle Network, we would like to thank you for your gift of \$250.00. As you know, your contribution helps patients at Children's Medical Center Dallas and Cook Children's Medical Center in Fort Worth.

Children's Medical Center Dallas will direct 2006 donations to the new Ambulatory Care Pavilion. In order to create a more efficient healthcare system and enlarge the ambulatory care services space, Children's has acquired the six floors of the former Menswear Mart to allow for further expansion of the Children's Pavilion. Upon completion of renovation and expansion, most of the ambulatory care service areas will move to this location.

Cook Children's will dedicate 2006 funds toward the purchase of an Intra-operative MRI. The Intra-operative MRI is a magnetic resonance imaging system that provides "real-time" maps and charts precise areas of the brain while neurosurgery is underway. The technology gives physicians the ability to pinpoint exact locations of the tumor or tissue that needs to be removed. Available at only a handful of children's hospitals in the country, the iMRI will benefit children with seizure disorders, epilepsy, hydrocephalus and brain tumors.

Our founding pledge is that all funds raised in an area, stays in that area. We hope that you will take pride in knowing that your contribution stays right here in North Texas, helping ALL children live healthier and happier lives. Thanks again for your generous gift.

Warmest regards,

Taitha McLemore  
Sponsor Relations Representative
